Venus by Catherine Hurand offers a bold new direction in glass dinnerware that gives the impression of dancing flames frozen in time. Evoking a wild, organic feel, while still maintaining a sensual, feminine air, Venus sets any tabletop apart from the rest. Though seemingly free-form, each Venus piece is uniform in shape, offering stackability. "This juxtaposition of uninhibited style with uniform structure creates the perfect piece for optimizing both practicality and presentation. To make the sparkling frost of the dawn dance," says Catherine Hurand, "I've played with fire."
